IN THE UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the Matter of Application Serial No. 85/551,808 for S.O.B.

Published in the Official Gazette on July 23, 2013

REPUBLIC TECHNOLOGIES (NA), LLC

Opposer,

v.

BROOKS ENTERTAINMENT, INC.

Applicant.

NOTICE OF OPPOSITION

This Notice of Opposition is submitted in the matter of Application Serial No. 85/551,808 for registration by Brooks Entertainment, Inc. of the term S.O.B. based upon its use of the term in connection with "cigars" in International Class 34, which was published for opposition in the Official Gazette on July 23, 2013. Republic Technologies (NA), LLC, having a place of business at 2301 Ravine Way, Glenview, Illinois, 60025, believes that it would be damaged by the registration and therefore opposes the same.

The grounds for Opposition herein are as follows:

1. Since 1856, Republic Technologies (NA), LLC, including its affiliates and predecessors ("Republic"), has been a preeminent manufacturer and distributor of smokers' articles, including cigarette papers, cigarette filter tips, cigarette tubes, cigarette injector machines and cigarette rolling machines to consumers across the United States through tobacco shops, drugstores, tobacco outlets, convenience and other retail stores.

- 2. For more than 100 years, and long prior to the acts of Applicant herein alleged, Republic has devoted substantial resources, time and effort in developing, marketing and distributing its smokers' articles under and in connection with its JOB Mark. In particular, Republic has distributed and sold, and continues to distribute and sell, cigarette papers, cigarette filter tips, cigarette tubes, cigarette injector machines and cigarette rolling machines under and in connection with the JOB mark.
- 3. As a result of its consistent and successful efforts to promote, distribute and sell such smokers' articles under and in connection with its JOB Mark, and its continuous and exclusive use of the JOB Mark with such smokers' articles, Republic has developed considerable consumer recognition and goodwill in its JOB Mark, which has come to be recognized by customers as identifying and distinguishing Republic's smokers' articles, and Republic's smokers' articles alone.
- 4. As a result of the considerable consumer recognition and goodwill that Republic now owns and which is symbolized by its JOB Mark, the JOB Mark is now among Republic's most valuable assets.
- 5. To protect its rights, Republic owns and maintains the following federal registrations for its JOB Mark in the United States Trademark Office, all of which are now incontestable pursuant to 15 U.S.C. §1065:

Mark	Registration No.	Registration Date	Goods and Services
JOB	073,124	March 16, 1909	cigarette papers
JOB (Design)	1,341,384	June 11, 1985	cigarette papers
JOB (Design)	2,422,747	January 23, 2001	cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, filter tips for cigarettes
JOB	2,420,646	January 16, 2001	cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, filter tips for cigarettes
JOB (Design)	2,432,868	March 6, 2001	cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, filter tips for cigarettes

- 6. On February 24, 2012, more than a century after Republic began its use of its JOB Mark, Applicant filed an application to register the mark S.O.B. based its use of the mark in connection with "cigars" in International Class 34.
- 7. The S.O.B. mark that Applicant seeks to register is confusingly similar to Republic's registered JOB Mark. As a result of the similarity of the parties' marks and the similarity of the goods associated with the marks, Applicant's use and registration of the S.O.B. mark is likely to cause confusion or mistake, or to deceive purchasers, in that purchasers would

be likely to believe Applicant's goods are Republic's goods or are in some way legitimately

connected with, sponsored by, or approved by Republic in violation of 15 U.S.C. § 1052(d).

Applicant's use or registration of the S.O.B. mark would, therefore, result in significant damage

to Republic. Accordingly, on these bases, Republic opposes registration of Applicant's S.O.B.

mark.

WHEREFORE, Republic requests that the registration sought by Applicant be refused

and that this Notice of Opposition be sustained.

Republic requests that the requisite filing fee of \$300.00 be charged to the deposit

account of Neal, Gerber & Eisenberg, Account No. 502261.

Respectfully submitted,

Date: August 14, 2013 By:
